

Dat Boi

Millionaires

Hella hot, in the mood
Go down south and you know I'm smooth
Bad boy in the room, snap back, dog tag, future boo

Wow wow look at him
Puttin them hours in the gym
Like ow ow look at you
All tattooed and at least 6'2"

I'm like what the hell
Get me wet like Ariel
Talk so dirty need purell
Spin me round, carousel

Wow wow look at him
You're my cure my medicine
Like ow ow look at you
Melts in my mouth no need to chew

I'm drunk and I ain't even drinkin'
He got me stutterin' and blinkin'
That boy is sexy fine
So high and I ain't even blazin'
He got me feeling so amazin'
That boy is just my type

I'm the boss, CEO
But I let him take control
Slap my ass grab my hips
Leave my number on his lips

Wow wow look at him
Putting them hours in the gym
Like ow ow look at you
Pockets so stuffed like a kangaroo

Let's get together, giving you some pleasure
I can be your baby dressed in leather
Love letter all in cursive
First kiss it got me nervous

Wow wow look at him
DTF just tell me when
Like ow ow look at you
Melts in my mouth no need to chew

I'm drunk and I ain't even drinkin'
He got me stutterin' and blinkin'
That boy is sexy fine
So high and I ain't even blazin'
He got me feeling so amazin'
That boy is just my type

That boy got all the riches
That boy respect the bitches
That boy he shoots, he swishes
He grantin' all my wishes
