

# In My Bed

Millionaires

I see you over there,  
there!  
Giving me the stare,  
stare!  
I'm playing with my hair  
As if i just don't even care

I like the way you look tonight  
and i think i just might  
Let you take a little bite  
Cause i think you're out of sight.

(Chorus)

I want you in my bed,  
Bed!  
I want you in my bed  
You heard what I said, boy  
I want you in my bed

I know you must be shy,  
shy  
Because I'm just so hot,  
hot  
But if you would just try  
I know you'll hit the spot

So you must be the kind  
Who does this all the time.  
But I have to let you know  
Thats not how I tend to roll

I want you in my bed,  
Bed!  
I want you in my bed  
You heard what i said, boy  
I want you in my bed

You seem like you're a special guy  
I want to make you mine,  
mine  
So come on take my hand  
I want you to be my man  
I want you in my bed,  
Bed!  
I want you in my bed  
You heard what I said, boy  
I want you in my bed

I'm really not this blunt  
But I know you want my junk  
I'm just trying to keep it real  
And tell you how I really feel

I want you in my bed,  
Bed!  
I want you in my bed  
You heard what I said, boy

I want you in my bed

I want you in my bed,  
Bed!

I want you in my bed  
You heard what i said, boy  
I want you in my bed
