

K Thx Bye

Millionaires

MELISSA

Boy, were so done
I must have been drunk
You had me thinking that I was the only one

ALLISON

Don't apologize,
You know I'm always right
I guess I'm bringing a new man home tonight

MELISSA

You missed your chance,
We had our last dance

ALLISON

Move it to the left cause you're on your own now

MELISSA

You missed your chance,
We had our last dance

ALLISON

I wish you the best but hang up the phone now

Guess I must have been blind to think that you would understand

It's over
And you gotta let it go
Cause I'm not coming back
It's broken
And you must be holding on
To a old photograph

Why'd you make me believe that you and me were serious?
It's over so leave me the f*\$k alone

MELISSA

Thx bye, Kk thx bye

MELISSA

Boy, I've moved on
Playing some beer pong
With somebody who knows how to turn me on

ALLISON

So I realize I need it super-size
Honey, you have a small d\$*k, FYI

MELISSA

You missed your chance,
We had our last dance

ALLISON

Can't you understand that I want you gone now?

MELISSA

You missed your chance,
We had our last dance

ALLISON
Take it like a man,
Better move along now

Guess I must have been blind to think that you would
understand

It's over
And you gotta let it go
Cause I'm not coming back
It's broken
And you must be holding on
To a old photograph

Why'd you make me believe that you and me were serious?
It's over so leave me the f*\$k alone

MELISSA
Thx bye, Kk thx bye

It's just a matter of time,
You know exactly what you've done
Woah oh oh

ALLISON
And I've made up my mind,
I like you better when you're gone

MELISSA AND ALLISON
Thx bye, Kk thx bye
Thx bye, Kk thx bye

ALLISON
It's over
And you gotta let it go
Cause I'm not coming back
It's broken
And you must be holding on
To a old photograph

Why'd you make me believe that you and me were serious?
It's over so leave me the f*\$k alone

MELISSA AND ALLISON
Thx bye, Kk thx bye

ALLISON
Thx bye, Kk thx bye

MELISSA
Thx bye, Kk thx bye

ALLISON
Thx bye, Kk thx bye

MELISSA AND ALLISON
Thx bye, Kk thx bye
