

Microphone

Millionaires

I scream your name
As you sing
What you do
I fall for you

I sing along
To all your songs
You on stage
Let's engage

You know I love it
Now I gotta touch it
You know how much I love it
Now I really want to touch it, so ...

After the show
No one will ever know
I want to touch your microphone

Now that we're all alone
No one will ever know
I wanna touch your microphone

Check check check 1 2
Check check check 3 4
Check check check 1 2
Tell me that you want me more

Hold me tight
Just for one night
Don't take it slow
I won't say no

Sing in my ear
Your song I hear
I feel my fingers
Getting near

You know I love it
Now I gotta touch it
You know how much I love it
Now I really want to touch it, so ...

After the show
No one will ever know
I want to touch your microphone

Now that we're all alone
No one will ever know
I wanna touch your microphone
