## Millionaires

Hmm

Your girl does party  
Call me Lil' Wayne 'cause I'm lickin' on your lollipop  
One lick in he about to get my tootsie pop  
Pop, pop, pop, pop, pop, like I'll never stop  
He about to shoot, like a gun shot

Yeah boy, you're so sweet  
You're my type too, diabetes  
Put them sprinkles on, my titties  
Jaw breaker, hard candy

I want it in my mouth, like pop rocks  
Sugar overload, with a little shot  
Gotta roll down, to the candy shop  
Explode, like pop rocks  
I want it in my mouth, like pop rocks  
Sugar overload, with a little shot  
Gotta roll down, to the candy shop  
Explode like pop rocks

Here I go with the flow so dope  
You could listen to this spitin' for yo fix when you broke  
Bitches know when I'm kissin on them slow  
They just wishin' that I'm givin' them the dick 'til they choke like  
Ohh damn girl you be doing it  
You so bad that that other chick I was with? Shit screw that bitch  
Ghostin' in all of my ghosts, my children are livin' inside of your throat  
And shit if you think it's gross than just get a shot of patron, oh

I want it in my mouth, like pop rocks  
Sugar overload, with a little shot  
Gotta roll down, to the candy shop  
Explode, like pop rocks  
I want it in my mouth, like pop rocks  
Sugar overload, with a little shot  
Gotta roll down, to the candy shop  
Explode like pop rocks

Okay, okay, alright,  
Your skirt like a package of pop rocks  
Imma be snatching her top off  
Open and gettin' it wet and letting her react to the action of her soft spot  
I like the way she blushin', she like the way we touchin'  
And we ain't stylin' so you know that ring no way we rushin'  
She crawl up on top you feel like a deal she all on my junk  
We bawn in a truck she get on her knees and she swallow my spunk  
In the end there's nothing left but the pop, rocks

I want it in my mouth, like pop rocks  
Sugar overload, with a little shot  
Gotta roll down, to the candy shop  
Explode, like pop rocks  
I want it in my mouth, like pop rocks  
Sugar overload, with a little shot  
Gotta roll down, to the candy shop  
Explode like pop rocks

I want it in my mouth, like pop rocks  
Sugar overload, with a little shot  
Gotta roll down, to the candy shop  
Explode, like pop rocks  
I want it in my mouth, like pop rocks  
Sugar overload, with a little shot  
Gotta roll down, to the candy shop  
Explode like pop rocks
