## Millionaires

I've been bad all year  
That's what mommy told me  
Too many boys,  
Santa's gunna scold me

I should be good,  
But I'm feeling naughty  
So baby just get over here  
And start this party

I'll make you skeet like snow  
As I take off my clothes

Santa slap me on the wrist  
Put me on your naughty list  
All the boys are yelling  
'You're a hoe, hoe, hoe'

You're my sexy little gift  
And I'll wrap you with my kiss  
So hot I can't resist  
I'll be your hoe, hoe, hoe tonight

(Tonight, tonight) I'll be your hoe  
(Tonight) I'll be your hoe, hoe, hoe tonight

I'm staring at the clock  
Waiting for my Santa cock  
In an out my chimney  
Cause he's been around the block

Fancied up his sleigh  
Santa's getting laid  
Busting out that leather wipe  
Now Rudolph wants to join

I'll make you skeet like snow  
As I take off my clothes

Santa slap me on the wrist  
Put me on your naughty list  
All the boys are yelling  
'You're a hoe, hoe, hoe'

You're my sexy little gift  
And I'll wrap you with my kiss  
So hot I can't resist  
I'll be your hoe hoe hoe tonight

(Tonight, tonight) I'll be your hoe  
(Tonight) I'll be your hoe, hoe, hoe tonight

(Tonight, tonight) I'll be your hoe  
(Tonight) I'll be your hoe, hoe, hoe

As I'm licking on his peppermint  
I'm gentle with his ornaments

Icing on my lips  
Now it's time to open my present

I gotta stop  
I know I gotta quit it  
Jesus Christ would you please save me

(Ho, ho, ho, merry Christmas;  
You girls have been so good. so..  
Where are you shoving that candy cane?  
Oh it doesn't go in there,  
What are you guys doing?  
Stop it now!)

Santa slap me on the wrist  
Put me on your naughty list  
All the boys are yelling  
'You're a hoe, hoe, hoe'

You're my sexy little gift  
And I'll wrap you with my kiss
