

The Weekend

Millionaires

When I roll up, I'm drunk and high
I'm looking for my just tonight
Cause I don't need a boyfriend and I don't need him by my side
He doesn't even know what he's thinking
Leaving this club with us to go drinking
He started winking and oh it got me thinkin' about all that dirty
shit I did last weekend
I'm leaving, into the hills and all I need is these cheap dirty
thrills

I just wanna live fast, party hard, make money, be a star
boys at every show lose their clothes on the dance floor
We don't care, We don't care, We don't care if we live through
the weekend [2x]

Here comes the sunlight, he won't leave
He's begging me for more please
& all the dirty words I talk into his ear (he wants me)
I know that you want it, I feel that you're on it
I'm sorry that your morning ended up in vomit
Stop oh! and drop it to the floor
Bend down, you're throwing up some more
pick it up boy, let's dance and have some fun
I wanna drink more, oh yea its just begun

I just wanna live fast, party hard, make money, be a star
boys at every show lose their clothes on the dance floor
We don't care, We don't care, We don't care if we live through
the weekend [2x]

If tomorrow never comes, well at least we had fun
So drink up! drink up! live fast, die young [2x]

(Drink up! drink up!)
Drink up! drink up!
Live fast die young

I just wanna live fast, party hard, make money, be a star
boys at every show lose their clothes on the dance floor
We don't care, We don't care, We don't care if we live through
the weekend [2x]

If tomorrow never comes, well at least we had fun
So drink up! drink up! live fast, die young [2x]
