

What a Bitch

Millionaires

Hey baby what are you doing
Where the fuck are you
Really, are you really gonna ask me that right now
Are you drunk right now
No, I've been out drinking with my friends
Do you'd really ask me if I'm drunk, fuck
Are you serious
You always do this to me
Yeah, that's because I have to put up with this bullshit all the time
Uhm whatever, I gotta go
(I know, I'll be right there)
Ahaha I have to go, I have to go, okay
Love you, bye
What a bitch
