

Arms of a Better Man

Milow

i threw away our love
i watched it sink below
sat by the river as it froze
i follow pretty dancing girls
all across the world
that's the life i choose

i'm a liar, i'm a liar, and now you know it's true
i was lying when i told you that i was over you
now you're in the arms of a better man
now you're in the arms of a better man
and now i'm finally free
i got everything i need
moved out of town living fast

now i only see, the road in front of me
don't get burried in the past

i'm a liar, i'm a liar, and now you know it's true
i was lying when i told you that i was over you
now you're in the arms of a better man
now you're in the arms of a better man

i was to young to know
i breath just what i saw

now you're in the arms of a better man
now you're in the arms of a better man
