She work it girl, she work the pole She break it down, she take it low She fine as hell, she about the dough She doing her thing out on the floor Her money money, she makin\' makin\' Look at the way she shakin\' Make you want to touch it, make you want to taste it Have you want to touch it, make you want to taste it Have you lustin\' for her, go crazy face it She\'s so much more than you\'re used to She know\'s just how to move to seduce you She gone do the right thing and touch the right spot Dance in you\'re lap till you\'re ready to pop

She always ready, when you want it she want it Like a nympho, the info I show you where to meet her On the late night, till daylight the club jumpin\' If you want a good time, she gone give you what you want

Baby this a new age, You like my new craze Let\'s get together Maybe we can start a new phase The smokes got the club all hazy, Spotlights don\'t do you justice baby Why don\'t you come over here, you got me saying

I\'m tired of using technology,
Why don\'t you sit down on top of me

I\'m tired of using technology
I need you right in front of me

In her fantasy, there\'s plain to see
Just how it be, on me, backstrokin\',
Sweat soaking
All into my set sheets
When she ready to ride, I\'m ready to roll
I\'ll be in this bitch till the club close
What should I do, one thing on all fours
Now that that shit should be against the law
Different style, different move,
Damn I like the way you move
Girl you got me thinking about,
All the things I do to you
Let\'s get it poppin\' shorty
We can switch positions
From the couch to the counters in my kitchen

Baby this a new age, You like my new craze Let\'s get together Maybe we can start a new phase The smokes got the club all hazy, Spotlights don\'t do you justice baby Why don\'t you come over here, you got me saying

I\'m tired of using technology,
Why don\'t you sit down on top of me

I\'m tired of using technology
I need you right in front of me
She wants it, she wants it
She wants it, I got to give it to her
She wants it, she wants it
She wants it, I got to give it to her

Baby this a new age, You like my new craze Let\'s get together Maybe we can start a new phase The smokes got the club all hazy, Spotlights don\'t do you justice baby Why don\'t you come over here, you got me saying

I\'m tired of using technology
I need you right in front of me
