

Minus One

Milow

Wath for when the night gives way to morning
Someone good has died a simpke warning
Reminding me of all the things we haven't done
I know the day's gonna come
When you'll go I'll wake up minus one

Sha la la I want you
But what if we never tried
Maybe lived a different life
I'd hate missing all the fun
I hate being minus one

Watch for when the rain gives way to lightning
A flash of fire changed into a simple warning
Reminding me of all the places we could go
Let's leave the day's gonna come
We'll see we'll wake up minus one
