MIMS

(Yeah.

This one right here worth about 400 million.

I want all the ladies to get on the dance floor on this one)

Okay. Let it out.

You know who I be (MIMS)

Chips in and out my crib

See I treat it like the club mama

You got to show I.D.

If I say I hit, I hit

It's a wrap n****, air that out

Porn stars in the back, I wear that out

If it ain't VIP n**** clear that out

I don't play no games I get that though

Ya'll n****s X's and O's like Tic Tac Toe

I'm sexin hoes, I admit that though

But I switch that bird like I switch that flow (Oh!)

Could it be a n****'s solo

Gotta take it any place other n****s won't go

Backseat of the Ranger, bring the low low

If you're with me, then you're with me.

Let's go!
