I know your eyes in the morning sun I feel you touch me in the pouring rain And the moment that you wander far from me I wanna feel you in my arms again And you come to me on a summer breeze Keep me warm in your love And then you softly leave And it's me you need to show How deep is your love? How deep is your love? How deep is your love? I really need to learn 'Cause we're living in a world of fools Breaking us down When they all should let us be We belong to you and me I believe in you You know the door to my very soul You're the light in my deepest darkest hour You're my savior when I fall And you may not think I care for you When you know down inside That I really do And it's me you need to show How deep is your love? How deep is your love? How deep is your love? I really mean to learn 'Cause we're living in a world of fools Breaking us down When they all should let us be We belong to you and me And you come to me on a summer breeze Keep me warm in your love And then you softly leave And it's me you need to show How deep is your love? How deep is your love? How deep is your love? I really need to learn 'Cause we're living in a world of fools Breaking us down When they all should let us be We belong to you and me How deep is your love? How deep is your love? I really need to learn

Cause we're living in a world of fools

Breaking us down

When they all should let us be We belong to you and me

How deep is your love?
How deep is your love?
I really need to learn
Cause we're living in a world of fools
Breaking us down
When they all should let us be
We belong to you and me
