## **How Lovely Is Christmas**

Mina

How lovely is Christmas With boughs in the hall When bells ringle jingle And friends come to call

How lovely is Christmas With joy on the wing While under your window The carolers sing

God rest ye, be merry Give peace while you may Remember the child Who was born on this day

How lovely is Christmas With songs in the air A bright merry Christmas Dear friends everywhere

How lovely is Christmas With boughs in the hall When bells ringle jingle And friends come to call

How lovely is Christmas With joy on the wing While under your window The carolers sing

God rest ye, be merry Give peace while you may Remember the child Who was born on this day

How lovely is Christmas With songs in the air A bright merry Christmas Dear friends everywhere (Everywhere)
