Once, once I loved

And I gave so much love to this love you were the world to me Once I cried

At the thought I was foolish and proud and let you say goodbye

And then one day

From my infinite sadness you came and brought me love again $\operatorname{Now}\, \operatorname{I}\, \operatorname{know}\,$

That no matter what ever befalls I'll never let you go I will hold you close, make you stay Because love is the saddest thing when it goes away Love is the saddest thing when it goes away
