Something in the way she moves Attracts me like no other lover Something in the way she woos me I don't want to leave her now You know I believe her now Somewhere in her smile she knows That I don't need no other lover Something in her style that shows me Don't want to leave her now You know I believe her now You're asking me will my love grow I don't know, I don't know You stick around now it may show I don't know, I don't know Something in the way she knows And all I have to do is think of her Something in the things she shows me Don't want to leave her now You know I believe her now
