

Stars Fell on Alabama

Mina

We lived our little drama We kissed in a field of white And stars fell on Alabama Last night

I can't forget the glamour Your eyes held a tender light While (And) stars fell on Alabama (fractured 'Bama) Last night

I never planned in my imagination A situation - so heavenly A fairy land where no one else could enter And in the center - just you and me

My heart beat (just) like a hammer (My) Arms wound around you tight And (While) stars fell on Alabama Last night
