

## Stella by Starlight

Mina

The song a robin sings, Through years of endless springs, The m  
urmur of a brook at evening tides. That ripples through a nook  
where two lovers hide.

That great symphonic theme, That's stella by starlight, And not  
a dream, My heart and I agree, Shes everything on this earth t  
o me.

That great symphonic theme, That's stella by starlight, And not  
a dream, My heart and I agree, Shes everything on this earth t  
o me.
