

The Long And Winding Road

Mina

The long and winding road That leads to your door Will never disappear
I've seen that road before It always leads me here Lead me to your door

The wild and windy night That the rain washed away Has left a pool of tears
Crying for the day Why leave me standing here Let me know the way

Many times I've been alone And many times I've cried Any way you'll never know
The many ways I've tried

But still they lead me back To the long winding road You left me standing here
A long long time ago Don't leave me waiting here Lead me to your door

But still they lead me back To the long winding road You left me standing here
A long long time ago Don't leave me waiting here Lead me to your door
Yeah, yeah, yeah, yeah
