

watching the sky, up through the rain.
tonight. tonight.
falling back down, into the pain.
inside. inside.
no I won't stay here.
no I won't stay here, stay here with you.

you took me to heaven.
you brought me to fall.
I took your mortality
for what made me feel whole.

you stole my dreams, made me lose track.
tonight. tonight.
you broke my trust, won't get it back.
forever. forever.
no I won't break down.
no I won't ever break down for you.

you made me feel needed.
you could see my soul.
no I won't break down.
no I won't ever break down for you.

you made me feel needed.
you could see my soul.
I gave you my loyalty.
you chose to make me fall.

you took me to heaven.
you brought me to fall.
I took your mortality
for what made me feel whole.
