

Christmas With My Girl

Mindless Behavior

Aye, come here
(All I want for Christmas)
Let me talk to you for a minute
Huh, it's Princeton
Ray!

Your presence is the only present that I really wanted (Uh)
It's priceless
Whatchu got on it? (Uh)
Comin' over?
I got you something gorgeous (gorgeous)
I've been saving up, so I could afford it

I kinda over did it, but I got
Mistletoe wishes
Cocoa goddess, marshmallow kisses
Only thing been on my mind since Thanksgiving
And gettin' your permission, are you with it?

The first time I ever talked to you
My heart told me you are a dream come true
And the first time you put your hand in mine
I was wishin' it would last a lifetime

All I want for Christmas is my girl
All I want for Christmas, Christmas is my girl
(2x)

And we get close under the mistletoe
Courtesy of lyricshall.com
And we watch the moonly shadow in the snow
And it was right then, your boy knew for sure
That I got exactly what I asked for, cause

All I want for Christmas is my girl
All I want for Christmas, Christmas is my girl
(2x)

And I know I see angels (angels)
When I look in your eyes (eyes)
When I wake on Christmas day
You'll be my best surprise

Uh, uh
Listen shawty

It's winter time, better button up
Tryin' to keep warm
Everybody coupled up
Sittin' fire side, cocoa in the cup
We just hanging like the fringe on ya Mukluks
Yeah

Your presence here is a gift to me
Let the past be a wrap, yeah
Cause everybody already think we go together
Guess what I'ma tell 'em

Aight!

All I want for Christmas is my girl

All I want for Christmas, Christmas is my girl

(2x)
