

## Used to Be

## Mindless Behavior

Used to be, used to be, used to be  
You and me, you and me, you and me

I guess it's official  
So you don't wanna kick it with a five star stunna like me  
You got his initials  
Where my name used to be  
Where my chain used to be  
Didn't I used to be that dude?

I see you everywhere-everywhere I go  
Gotta hear it from everybody we know  
I be tryna keep it G like it's whatever  
Wishing you and me were back together

Girl I used to be your Superman  
Now I'm flying solo  
You used to be one hundred with me  
Now you on the low-low  
Things ain't been the same  
Girl we ain't a thing like we  
Used to be, used to be, used to be

We used to be like Jay and Beyonce  
Brad and Angelina  
Haven't let the gossip and the rumors come between us  
We ain't like we  
Used to be, used to be, used to be  
That used to be us

We has J's in every color for the summer (th-that was us)  
Spent them holiday's with one another (th-that was us)  
Oh, girl we was like family  
Don't front with me I know you missin'  
What we used to be

I see you everywhere-everywhere I go  
I gotta hear it from everybody we know  
I been tryna keep it G like it's whatever  
Wishing you and me were back together

For feeling like you threw it all away  
I'mma let you crown your rebound king  
But that ain't nothing  
Like we used to be
