There's an Ass in my face  
There's an Ass in my face  
There's an Ass in my face  
There's an Ass in my face

I squish at the parts  
squish at the parts  
squish at the parts  
Of the ass I like

I squish at the parts  
squish at the parts  
Of the ass I like  
the ass I like

There's an Ass in my face  
There's an Ass in my face  
There's an Ass in my face  
There's an Ass in my face

I squish at the parts  
squish at the parts  
squish at the parts  
Of the ass I like

I squish at the parts  
squish at the parts  
Of the ass I like  
the ass I like

the ass I like
