

Ass In my face part 2

Mindless Self Indulgence

Oh yeah
Hey hey hey hey hey
Hey hey hey hey hey
Hey hey hey hey hey

Yodel like this
With the mind on the potty
And the moms and bastards

There's a ass in my face
There's a ass in my face
There's a ass in my face
There's a ass in my face
There's a ass in my face
There's a ass in my face
There's a ass in my face

Do a itty-bitty fart
Then you do a big fart
Do a itty-bitty fart
Then you do a big fart
Do a itty-bitty fart
Then a big scary fart

Hold up, wait a minute
There's a little doodie in it

Dip your pinky in and take a sniff
Dip your pinky in and take a sniff
Dip your pinky in and take a sniff

Oh man
I definitely crapped my pants

There's a ass in my face
There's a ass in my face
There's a ass in my face
There's a ass in my face
There's a ass in my face
There's a ass in my face
There's a ass in my face

Aw yeah there's definitely an ass in my face
Aw I like to say my record label
Aw I'm gonna say words
I'm gonna talk about things that you don't understand
Like gooble-dee-gook
And oobbley-goo, obbley-goo
Oobbley-goo, ooble-dee

Aw poo!

Ah, you wanna try that, maybe one more take?
Nah man fuck you, that's perfect!
