

Geeks For Fans

Mindless Self Indulgence

You said in an interview that you were going to ask the fans to
kill in your name.

Tell me about your childhoods. Were you dropped on your head?
What's the name of the new album gonna be?

Hey where'd Jimmy go?

We got geeks, geeks for fans,
We've got geeks for fans.
(Fuck yeah man)

We got geeks, geeks for fans,
Everybody geeks for fans.

They want an autograph, don't they know I don't know what I'm d
oing?
I don't know what I'm doing, I'm doing drugs!
(Fuck yeah man)

We got geeks, geeks for fans,
Everybody geeks for fans.

They want the tabulatures, don't they know I don't know what I'
m doing?
I don't know what I'm doing, I'm doing drugs!
I'm doing drugs!

I don't know them, but they did, they really know me,
but I don't know them, but they did, they really know me,
but I don't know them, but I wrote a song about 'em
and recorded it and put my vocals on it and I put it on my reco
rd.
(Fuck yeah man)

"So you're empowering people and achieving success at the same
time?"

"No, no, no, it's the opposite."

"The opposite?"

"Yeah. We're achieving people powers, success time."
