

Genesis 16:12

Mindless Self Indulgence

Rise from your motherfucking grave
Rise from your motherfucking grave
Rise from your motherfucking grave

Super Nintendo, Sega Genesis
It's Super Nintendo, Sega Genesis
It's sixteen motherfucking goddamn bits
Sixteen motherfucking goddamn bits

When I was a kid I used to play Sega
Now I play a Sega emulator
My bit rate's still sixteen motherfucker
since I was a preteen motherfucker

You're all a bunch of pussies 'cause you get to save
I had to play for 200 days
Had to get to the last level straight
And just like Altered Beast I rise from my grave

(Your motherfucking grave!)

Super Nintendo, Sega Genesis
It's Super Nintendo, Sega Genesis
It's sixteen motherfucking goddamn bits
Sixteen motherfucking goddamn bits

Girls who like video games are trouble
Unless they want to play Sonic and Knuckles
By Sonic and Knuckle I mean they want to fuck us
Just ask motherfuckin' Buster Douglas

Fuck an Xbox, fuck a PS3
I rock the 32X with the Sega CD
I heard that mac got a Sega Genesis
The Genesis does what Ninten-fucking-don't

Super Nintendo, Sega Genesis
Super Nintendo, Sega Genesis
It's sixteen motherfucking goddamn bits
Sixteen motherfucking goddamn bits
