

# Be With Me

Mindy McCready

Yeah  
You wanna be successful  
You wanna be the president  
You wanna be the life of the party  
Everybody's friend

You wanna be original  
Make a difference in this world  
You wanna be my everything  
Baby no matter what else you do  
First of all, most of all  
Just be you

Be crazy, be real  
Be anything you feel  
But just be with me  
Say you'll be with me  
Be mellow, be wild  
Be a man or a child  
Baby can't you see  
All you really need is to be with me

I wanna be a few pounds lighter  
I wanna be a movie star  
I wanna be all that I can be  
And stay true to my heart

I wanna be beautiful  
Carefree as a little girl  
I wanna laugh, I wanna love  
Baby no matter what else I do  
First of all, most of all  
I want you

Be crazy, be real  
Be anything you feel  
But just be with me  
Say you'll be with me  
Be mellow, be wild  
Be a man or a child  
Baby can't you see  
All you really need is to be with me

Be with me when you're lost  
When you're down I will pick you up  
I'll turn you around  
Be with me as we grow  
As we change you can be yourself  
I'll want no one else

Be crazy, be real  
Be anything you feel  
But just be with me  
Say you'll be with me  
Be mellow, be wild  
Be a man or a child  
Baby can't you see

All you really need is to be with me

Say you'll be with me

Be crazy, be real

Be anything you feel

But just be with me

I just want you to be with me

I just want you to be with me
