

# Guys Do It All The Time

Mindy McCready

Got in this morning at 4 A.M.  
You're as mad as you can be  
Well, I was drinking and talking and you know how that goes  
Time just slipped away from me

By the time I knew what time it was  
It was too late to call home  
Stop carrying on, acting like a child  
I wasn't doing anything wrong

Guys do it all the time  
And you expect us to understand  
When the shoe's on the other foot  
You know that's when it hits the fan

Get over it, honey, life's a two way street  
Or you won't be a man of mine  
So I had some beers with the girls last night  
Guys do it all the time

I know I left my clothes all over the place  
And I took your twenty bucks  
No, I didn't get the front yard cut  
'Cause I had to wash my truck

Will you bring me a cold one, baby  
Turn on the TV  
We'll talk about this later  
There's a ball game I wanna see

Guys do it all the time  
And you expect us to understand  
When the shoe's on the other foot  
You know that's when it hits the fan

Get over it, honey, life's a two way street  
Or you won't be a man of mine  
So I had some beers with the girls last night  
Guys do it all the time

You look like you just took  
A long look in the mirror  
Tell me baby if things don't look  
A whole lot clearer

Get over it, honey, life's a two way street  
Or you won't be a man of mine  
So I had some beers with the girls last night  
Guys do it all the time

Yeah, guys do it  
Yeah, guys do it  
All the time, all the time  
Yeah, guys do it  
Yeah, guys do it  
All the time
