

I Don't Want You To Go

Mindy McCready

Monday mornin is such a rush
Here it is again sneakin up on us, uh huh yeah
This is the part you know I don't like
We say goodbye and then we kiss goodnight, uh huh yeah
I know it's 1 o'clock and you said you'd be gone by 10
So much for those 8 hours I swore that I'd get in, yeah

I know I should get some sleep
I'm at the beginning of another long week
But I don't want you to go
No I don't want you to go
Just another minute wouldn't do no harm
So why not spend it in each other's arms
Cause I don't want you to go
No baby, I don't want you to go
I don't want you to go

We always say "just one more kiss"
But it always seems to never end like this, uh huh yeah
A few dozen, then a couple more
Before we know it it's after 4, uh huh yeah
I know tomorrow my best friend will be my coffee cup
Cause here we go again, watchin the sun come up, yeah

I know I should get some sleep
I'm at the beginning of another long week
But I don't want you to go
No I don't want you to go
Just another minute wouldn't do no harm

So why not spend it in each other's arms
Cause I don't want you to go
No baby, I don't want you to go
I don't want you to go, uh huh yeah

I know tomorrow my best friend will be my coffee cup
Cause here we go again, watchin the sun come up, yeah

I know I should get some sleep
I'm at the beginning of another long week
But I don't want you to go
No I don't want you to go
Just another minute wouldn't do no harm
So why not spend it in each other's arms
Cause I don't want you to go
No baby, I don't want you to go
I don't want you to go, uh huh yeah

I don't want you to go
I don't want you to go, oh no

I know I should get some sleep
I'm at the beginning of another long week
But I don't want you to go
No I don't want you to go
Just another minute wouldn't do no harm
So why not spend it in each other's arms

Cause I don't want you to go
No baby, I don't want you to go
