

# I Hate That I Love You

Mindy McCready

All alone here in this bed, starin' at the TV set  
God, how did I get here again?  
You say it's over when you leave  
Let the world pave way for me  
Oh, what I'd give to be a man in times like these  
When this wouldn't mean a thing

Learn to look you in the eye, smile and say goodbye  
Try to act like you don't hurt like him  
But damn, this stubborn heart keeps fallin' apart  
No matter how many times I tell myself it's wrong  
To be in this love at all

I hate that I love you  
It'd be so much easier if it were true  
I hate that I love you  
But I do, oh, I do

I hate the way you make me feel  
I love the way you make me feel  
Don't come back, baby, please come back

I hate that I love you  
It'd be so much easier if it were true  
I hate that I love you  
But I do, oh, I do, yes, I do, oh, I do
