

# Tremble

Mindy McCready

It's like you're holding my heart in your hands  
And for a moment, I can't breathe  
More now forever there in your eyes  
Oh the way you move me, I can't help it, I

Tremble  
Every time that we touch  
It's a shock to my soul  
I'm shakin' all over  
Baby it's just too much  
Cuz your kiss  
Always leaves me like this  
I have no defenses  
Lost all control  
Something about your love  
Makes me tremble  
Oh I tremble

Baby for the first time I'm so completely lost  
Somehow I'm right where I belong  
Feel you like sunlight rushin through my veins  
No one else could ever make me feel this way

Tremble  
Every time that we touch  
It's a shock to my soul  
I'm shakin all over  
Baby it's just too much  
'Cuz your kiss  
Always leaves me like this  
I have no defenses  
Lost all control  
Something about your love  
Makes me tremble  
Oh I tremble

I'm falling apart  
Here in your arms  
'Cuz I need you  
Look at me baby  
I just can't help it  
I love you

Oh your kiss  
Always leaves me like this  
I have no defenses  
Lost all control  
Something about your love  
Makes me tremble  
Oh I tremble  
Oh I  
Tremble
