

# You'll Never Know

Mindy McCready

I bought a new red dress to lift my spirits up  
And just like you did, honey, it cost me way too much  
Next time you see me, I'll bet you'll take a second look  
You'll wonder why I look so good

You'll never know how much I miss you, you won't see it in my face  
You'll never know I'll never find another that could take your place  
'Cause I'll be smiling when I see you, my tears won't ever show  
Yeah, I might always love you  
But you'll never know

When I saw you out last night, you seemed so surprised  
That I could walk right by and not blink an eye  
To look at me, you probably think I'm doing fine  
Good thing you can't read my mind

You'll never know how much I miss you, you won't see it in my face  
You'll never know I'll never find another that could take your place  
'Cause I'll be smiling when I see you, my tears won't ever show  
Yeah, I might always love you  
But you'll never know

You'll never know how much I miss you, you won't see it in my face  
You'll never know I'll never find another that could take your place  
'Cause I'll be smiling when I see you, my tears won't ever show  
Yeah, I might always love you  
But you'll never know  
You'll never know  
You'll never know  
You'll never know
