

Angel Doves

Mindy Smith

When you're blindsided and deceived
And chained to the floor
When it's difficult to see
Riding on the world

Keep on believing God is
Soaring above a world that is
Running out of love
Pouring hope out over us
His angel doves

When it's hard for you to breathe
Keep a clear mind
When it's hard for you to be
Just to be yourself sometimes

Keep on believing God is
Soaring above a world that is
Running out of love
Pouring hope out over us
His angel doves

Truly believing God is
Soaring above a world that is
Running out of love
Pouring hope out over us
His angel , His angel, His angel
His angel doves
