

# Any more Of This

Mindy Smith

Where did I begin  
Turning through the pages  
But I don't know what I've read

Thread is wearing thin  
Everything's familiar  
But I don't know who I am

Do you know where you're going?  
Don't even know where I've been

Watching moments pass  
I wanna run away from it  
But I still won't take that step

Locked inside the glass  
An empty box of memories  
And a heart full of regret

Do you know where you're going?  
Don't even know where I am

I don't wanna miss  
I don't wanna miss anymore of this  
Letting go I wanna feel all of it  
I'm hanging on every word you say

I gotta keep goin'  
Can't stay where I am

I don't wanna miss  
I don't wanna miss anymore of this  
Letting go I wanna feel all of it  
I'm hanging on every word you say

I don't wanna miss  
I don't wanna miss anymore of this  
Letting go I wanna feel all of it  
I'm hanging on every word you say

After the fall  
we can recover  
what's left in the dark  
Can still be discovered  
I won't give up  
I won't give up no no

After the fall  
we can recover  
what's left in the dark  
Can still be discovered  
I won't give up  
I won't give up oh no
