

Cure For Love

Mindy Smith

It's the kind of love
A disease of the heart
Try to overcome
But I can't got a cure
For loving you
It's the sort of thing
Poisoning my mind
Try to understand
I ain't got a cure
For loving you

Don't get me wrong
Cause I don't want one
Don't call
For the doctor
Cause he ain't got one
All I need
Is to be quarantined
I got my lover's
Spell on me (yes)

It's the kind of pain
Keeping me
From sleeping right
Keeping me
Up all night
And I ain't got a cure
For loving you
I ain't got
A cure for love
I don't' need
A cure for love
I don't want
A cure for love
