

Disappointed

Mindy Smith

i'm disappointed in the outcome
you're supposed to be my one and only
i hope you're happy in your empty
house that you have cleansed of me

and it looks like you are glad
you have made me very sad
its a struggle just to let you go

when you keep sneaking into my dreams
acting like things are fine and dandy

and it will be but im
gonna need a little more time
its a struggle just to let you go

and i want to, i do
wanna be over you
its a struggle just to let you go

im disappointed in the outcome
you're supposed to be my one and only
