Don't Mind Me

Mindy Smith

Don't mind me, I'm just sitting here lonely Don't find me, when I'm feeling sad My hell's breaking loose I don't know what to do But don't mind me I've been drinking and I'm angry Don't call for me I'm not answering the phone

I need some time alone I need some time alone

Don't wait for me It's a waster for your time and mine If you would only free me I'd be on my way to fine Cause my hell's breaking loose And I don't know what to do So don't you wait for me
