

# Hurricane

Mindy Smith

I felt the  
Faint trace of thunder  
Rattle this old house  
I saw the fire light the sky  
But there's no sign of rain anywhere

I need a hurricane  
To empty out this place  
Seems it's the only way  
To salvage any sense I have left  
To move on

I'm waiting  
To hear your voice again  
And lighten up this heart  
I'm holding on to stupid memories  
But I see you in every little thing

I need a hurricane  
To straightened out this place  
It maybe the only way  
To salvage any sense I have left  
To move on

I need a hurricane  
To ravage through place  
I think it's the only way  
To salvage any sense  
I have left  
To move on

I felt the  
Faint trace of thunder  
But there's no sign of rain anywhere  
No, there's no sign of you anywhere
