

# If I

Mindy Smith

If I...  
Were you...  
For only a day  
If I...  
Walked in...  
Your shoes...  
For even...  
An hour  
I'd see...  
Through your eyes...  
The dark night...  
Open wide  
I'd be...  
Through time...  
A thousand years...  
Gone by  
If I...  
Were you...  
And you...  
Were me...  
Could I make...  
You see...  
That you...  
And I...  
And I...  
And you...  
Were always...  
Meant to be

Chorus  
So I give  
My heart out,  
And I pour  
My love down  
A steam of  
No guarantees,  
As you  
Lead me on  
Through the  
Darkest storms,  
I feel your arms  
Carry me

This dream...  
Surreal...  
I fear...  
The end  
As things...  
I've seen...  
Through time...  
Can end
