

# Love Chases Afer Me

Mindy Smith

Got alot on my heart it's burning  
Gone for a while returning  
The sun is coming up in bluer sky

Got a weight off my (?) the gifted  
Peace of mind and I'm lifted  
It's time to getting out  
It's been too long

I thought I found it in my shelter  
I thought I found it in my dreams  
In the mist of the doubting  
Your love chases after me

It's the time of my life so I'm livin  
Stand up and shout this feelin  
Walkin down the city street neon lights

I don't know how I fought against it  
I don't know why I wouldn't see  
Despite my walls and all my fences  
Your love chases after me  
Your love chases after me

I thought I found it in my shelter  
I thought I found it in my dreams  
In the mist of all the doubting  
Your love chases after me

I don't know why I fought against it  
I don't know why I wouldn't see  
Despite my walls and all my fences  
Your love chases after me  
Your love chases after me
