

# One Moment More

Mindy Smith

Hold me  
Even though I know you're leaving  
And show me  
All the reasons you would stay  
It's just enough to feel your breath on mine  
To warm my soul and ease my mind  
You've got to hold me and show me now

Give me  
Just one part of you to cling to  
And keep me  
Everywhere you are  
It's just enough to steal my heart and run  
And fade out with the falling sun

Oh, please don't go  
Let me have you just one moment more  
Oh, all I need  
All I want is just one moment more  
You've got to hold me and keep me

Tell me that someday you'll be returning  
And maybe  
Maybe I'll believe  
It's just enough to see a shooting star  
To know you're never really far  
It's just enough to see a shooting star  
To know you're never really gone

Oh, please don't go  
Let me have you just one moment more  
Oh, all I need  
All I want is just one moment more

Oh, please don't go  
Let me have you just one moment more  
Oh, all I need  
All I want is just one moment more  
You've got to hold me and maybe I'll believe

So hold me  
Even though I know you're leaving
