

# Call to Arms

Ministry of Magic

Verse 1 (Luke)

I feel it, the Dark Lord invade  
But all doubt fades away  
I've got a good feeling about this  
And everyone is with me now

Prechorus (Ryan)

The world it sings  
And I am keeping beat  
I raise my wand  
And everyone joins in one song

Chorus (Jason)

Gonna dance all night to duel evil (duel evil)  
Gonna dance all night with the ones I love (the ones I love)  
It's time that we decide where our allegiance truly lies  
The passageway from Hogsmeade will bring Voldemort's defeat tonight

Verse 2 (Ryan)

Minerva is taking control  
The order is on patrol  
And fiendfyre burned Rowena's diadem  
Leaving only Nagini now

Prechorus (Luke)

The world it sits  
On the edge of it's seat  
No longer kids  
Don't be deceived cause we won't miss

Chorus (Jason)

Gonna dance all night to duel evil (duel evil)  
Gonna dance all night with the ones I love (the ones I love)  
It's time that we decide where our allegiance truly lies  
The passageway from Hogsmeade will bring Voldemort's defeat tonight
