

## Dance Time

Ministry of Magic

Going out tonight everybody  
Dance time  
Going out tonight everybody  
It's dance time

Cast your patronus charm  
Come on, it's dance time  
We're living life unharmed  
Come on, it's dance time  
It's dance time

I know you want to go home  
But it's dance time  
Tonight let's just let go  
It's dance time  
It's dance time

Come on wizards and witches  
Get your wands up

Going out tonight everybody  
Dance time  
Going out tonight everybody  
It's dance time
