

# Escape From Azkaban

Ministry of Magic

Hell. I'm in hell.  
I just wanna die today.

Dementors  
They're haunting all my dreams.

This never ends.  
Someone make this torture end.

This has to end.

I've got to escape from  
Break out of  
Azkaban

I've got to get out of  
Escape from  
This hell

I'm gonna lose it  
I'm cracking  
I can't take any more

Gotta get of Azkaban

I've got to escape from  
Break out of  
Azkaban

I've got to get out of  
Escape from  
This hell

I'm gonna lose it  
I'm cracking  
I can't take any more

Gotta get of Azkaban

Framed. I've been framed.  
By that pissant, Pettigrew.

The boy who lived,  
The godson that I never knew.

I'll make it up,  
Rectify this mess he's made.

Tonight, I'm getting out.

I've got to escape from  
Break out of  
Azkaban

I've got to get out of  
Escape from  
This hell

I'm gonna lose it  
I'm cracking  
I can't take any more

Gotta get of Azkaban

I've got to escape from  
Break out of  
Azkaban

I've got to get out of  
Escape from  
This hell

I'm gonna lose it  
I'm cracking  
I can't take any more

Gotta get of Azkaban
