

I Heart Weasleys

Ministry of Magic

There are some things in
This world that go beyond fame,
Worth more than money
Or just about anything.

Wizard or Muggle,
Some things will never change.
Like love and family,
They will last forever.

Weasleys, sing with the Weasleys.
If you, if you agree with us.
Weasleys, dance with the Weasleys.
Sing out, sing, sing along with us.

Maybe we're not rich, but we are happy. Happy.
Maybe we can't afford a big, dark house like the Malfoys.
We're the Weasley clan and we love everybody. Everyone.
If you came over you'd be a Weasley too. Yes, it's true.

Molly and Arthur,
Bill and Fleur and Charlie,
Percy, twins Fred and George,
Ronald and Ginny.

We found the bigger
We grew, the more love we had.
It's spilling onto our friends,
We can't contain it.

Weasleys, sing with the Weasleys.
If you, if you agree with us.
Weasleys, dance with the Weasleys.
Sing out, sing, sing along with us.

Maybe we're not rich, but we are happy. Happy.
Maybe we can't afford a big, dark house like the Malfoys.
We're the Weasley clan and we love everybody. Everyone.
If you came over you'd be a Weasley too. Yes, it's true.

Agree with us.
Sing along with us.

Maybe we're not rich, but we are happy. Agree with us.
Maybe we can't afford a big, dark house like the Malfoys.
