

# Marauder's Map

Ministry of Magic

\*Verse 1 (Jason)

If I had my wand  
I would Sectumsempra

If I had the chance  
I'd kill you now

Why'd I let you live  
Mercy clouds my vision

But I see you now  
On Marauder's Map

\*Chorus (Group)

I solemnly swear that I'm up to no good (Luke)  
Mischief managed

I solemnly swear that I'm up to no good (Jason)  
Mischief managed

I solemnly swear that I'm up to no good (Aaron)  
Mischief managed

I solemnly swear that I'm up to no good (Gang)  
Mischief managed

\*Verse 2 (Aaron)

I see Wormtail now  
I see his pawprint coming  
The trap is set  
To catch that rat

Cruciatus curse  
I will make you suffer  
Aveda Kedavra's  
Too good for you

\*Chorus (Group)

I solemnly swear that I'm up to no good (Luke)  
Mischief managed

I solemnly swear that I'm up to no good (Jason)  
Mischief managed

I solemnly swear that I'm up to no good (Aaron)  
Mischief managed

I solemnly swear that I'm up to no good (Gang)  
Mischief managed

Aveda Kedavra's  
Too good for you

\*Verse 3 (Luke) (Jason and Aaron whispers)

Cruciatus, Sectumsempra, the killing curse  
Cruciatus, Sectumsempra, the killing curse

Victim of my spells (Cruciatus, Sectumsempra, the  
Killing curse)  
I can see you struggling (Cruciatus, Sectumsempra,...)  
Say goodbye

Aveda Kedavra!

I will make you suffer

I solemnly swear that I'm up to no good (Gang)  
On marauder's map

Mischief managed  
Mischief managed

I solemnly swear that I'm up to no good
