

On The Other Side

Ministry of Magic

Up the Spiral Staircase
Only to find
One empty perch within an empty room
A sealed up Snitch, a book of nursery rhymes the end of all our conversations

Close my eyes (maybe I am only dreaming)
Try to lie (to myself you are only sleeping)
Close my eyes, I close my eyes

And so the phoenix cries
And so the phoenix flies
I got to always keep in mind
Another great adventure waits
On the other side
I'll see you on the other side

Even if the Hallows were at my grip
They'd only make me my own enemy
Watching over me since I left my crib
One of a thousand things you've taught me

Close my eyes (maybe I am only dreaming)
Try to lie (to myself you are only sleeping)
Close my eyes, I close my eyes

And so the phoenix cries
And so the phoenix flies
I got to always keep in mind
Another great adventure waits
On the other side
I'll see you on the other side

Close my eyes (maybe I am only dreaming)
Try to lie (to myself you are only sleeping)
Close my eyes (close my eyes)

And so the phoenix cries
And so the phoenix flies
I got to always keep in mind
Another great adventure waits
On the other side
I'll see you on the other side

Maybe I am only dreaming
to myself you are only sleeping
