

# Orchideous Symphony

Ministry of Magic

\*Verse 1 (Jason)

Memories of you, it seemed so long ago;  
they had always seemed too good to be true  
stealing hours from a normal persons life  
a person who could be together with you.

\*Pre-Chrous (Jason)

She smiles at the wedding  
And I'm broken at the wedding

\*Chorus (Luke and Kristina)

Someday that will be us up there together  
Someday but not today

Someday you will admit to what you're missing  
Someday I'll make you stay

\*Verse 2 (Aaron)

Stealing looks at you, my heart just skipped a beat  
A wife for me would be too good to be true  
Weighing me down, this is mine alone  
Would be too heavy of a burden for you.

\*Pre-Chrous (Jason and Kristina)

She smiles at the wedding  
And I'm broken at the wedding

\*Chorus (Luke and Kristina)

Someday that will be us up there together  
Someday but not today

Someday you will admit to what you're missing  
Someday I'll make you stay

\*Bridge (Luke)

Someday Aaahooo  
Someday Aaahooo

Someday  
Someday

That will be us up there together

\*Chorus (Quadwizards)

Someday that will be us up there together  
Someday but not today

This is mine alone.

Someday you will admit to what you're missing  
Someday I'll make you stay

It seemed so long ago.

\*End (Jason and Kristina)

She smiles at the wedding  
And I'm broken at the wedding

She smiles at the wedding  
And I'm broken at the wedding
