

## Snape vs Snape

Ministry of Magic

There was a time when you could not trust me.  
And there was a time when darkness was all I could see.

But now there are no layers of evil left to shed.  
And if he heard me sing this song, I would be good as dead.

People can change.  
People can change.  
They can turn their back and run.  
People can change.  
People can change.  
I'm sorry for all the things I've done.

People don't change.  
People don't change.  
Once a Death Eater, you're always one.

People can change.  
People can change.  
They can turn their back and run.

People don't change.  
People don't change.  
Stop running. It's you you're running from.

It's you you're running..

FROOOOM.  
AHHHHH, OHHHHH  
It's you you're running..  
FROOOOM.  
AHHHHH, OHHHHH

Now the Dark Mark, it has appeared on me.  
Lord Voldemort, he calls, but I want to be free.  
From all the evil I have seen and I have done.  
So, please believe, it's over. The good in me has won.

People can change.  
People can change.  
They can turn their back and run.  
People can change.  
People can change.  
I'm sorry for all the things I've done.

People don't change.  
People don't change.  
Once a Death Eater, you're always one.

People can change.  
People can change.  
They can turn their back and run.

People don't change.

People don't change.  
Stop running. It's you you're running from.

FROOOOM.  
FROOOOM.  
It's you you're running..  
FROOOOM.  
It's you you're running from.  
AHHHHH, OHHHHH

People can change.  
People can change.  
They can turn their back and run.  
People can change.  
People can change.  
I'm sorry for all the things I've done.

People don't change.  
People don't change.  
Once a Death Eater, you're always one.

Maybe I can't,  
Can't really change,  
I can't turn my back and run.

People don't change.  
People don't change.  
Stop running. It's you you're running from.

I won't change,  
I'll never change,  
Lord Voldemort has won.

Lord Voldemort he calls..  
Lord Voldemort he calls..  
Lord Voldemort he calls..
