The Bravest Man I Ever Knew

Ministry of Magic

I have given you a name
One that shows you can always change
No matter the way or mistake you've made.

And sometimes consequences define your life with hardship.
Will goodness will be the banner you raise?
Cause with his last breath, Severus said take it, take it.

Living in disguise.
A true wizard on the inside.
Not afraid of what he had to do.
He was the bravest man I ever knew.

Albus Severus,
You were known for two headmasters at Hogwarts.
One of them was a Slytherin
And he was probably the bravest man I ever knew.

A true wizard on the inside,
on the inside.
The bravest man I ever knew.
A true wizard on the inside,
on the inside.

All these things that tie us close
To what matters most
We cannot let go.

And sometimes consequences define your life with hardship.
Will goodness will be the banner you raise?
Cause with his last breath, Severus said take it, take it.

Living in disguise.
A true wizard on the inside.
Not afraid of what he had to do.
He was the bravest man I ever knew.

Long ago I had a teacher
A sallow skinned Slytherin with long black hair.
I hated him and he seemed to hate me too.
And though I branded him a coward he was, in fact,
the bravest man I ever knew.

A true wizard on the inside,
(the bravest man I ever knew) on the inside.
The bravest man I ever knew.
A true wizard on the inside,
on the inside.
The bravest man I ever knew.

Always, Always
There's so much in one word
Always, Always
